ECT is a tech company dedicated to better business outcomes for communications service providers (CSPs) and their customers. With our Telecoms Low-Code Application Platform (T-LCAP), Packaged Business Capabilities (PBCs), ready-to-use apps and agile co-development, we enable CSPs to compose, enhance and individualize telecoms services and products within their telecoms network. Our parent company, the European Computer Telecoms AG, is a German public company located in Munich, Germany, where we employ engineering experts from over 30 countries. The language of our company is English. German is not required.

We are currently hiring a

Release Manager / Scrum Master (m/f/d)
Working in Munich, Germany

Be part of our new 4 day work week, 32 hours, on full payment. Enjoy an unrivaled work/life balance next to your daily challenges as an employee at ECT. You will join the agile programming squad responsible for our low code application platform.

Main Responsibilities:

- Scrum Master managing our internal software development projects
- Organize and facilitate project planning, daily stand-up meetings, reviews, retrospectives, sprint and release planning, demos and other meetings
- Assist teams with planning and forecasting
- Manage the project management tools as necessary to support team success, e.g. Jira, Confluence etc.
- Planning release windows, release notes and the overall release lifecycle
- Management of stakeholder expectations as well as definition and control of milestones through all project phases (concept/requirement, planning, design, implementation, delivery and acceptance).

Your Profile:

- At least 2 years of experience managing software projects within Telecom operators or IT industry
- Certified Scrum Master
- Excellent knowledge of Jira and Confluence and other project management tools
- PMP and/or Prince2 professional certification is a plus
- Good knowledge of release and change management
- A good understanding of Telecom Protocols like SIP and IMS
- Excellent verbal and written English skills

Who we are:

- **We have an amazing, highly diverse team** with colleagues from Brazil, Colombia, England, Finland, France, Germany, Greece, India, Ireland, Mexico, the Netherlands, Pakistan, Peru, Romania, Switzerland Turkey, the USA, etc.
- **We care about you**. An unrivaled work/life balance – you work a 4-day week, 32-hours, but get paid for 5 days! All employees participate in the success of our company via our company

bonus. We offer a highly competitive compensation package with an initial annual compensation package of 65,000 – 75,000 EUR (ca. 77% fixed and 23% variable) and 30 days paid vacation annually.

- **We invest in your future**. We encourage all employees to participate in further education. We offer in-house language courses and trainings, external seminars and university courses. Many colleagues have even completed company-sponsored MBA programs.
- **We care about our community**. For over 15 years, we have been the main sponsor of the Munich Chamber Orchestra and all employees receive tickets to their amazing concerts.

In order to be considered, your application must include a cover letter with a compelling explanation of why you are the person we should entrust with this opportunity.

Please send your CV by e-mail, including your salary expectation and a possible start date to careers@ect-telecoms.de mentioning "SCRUM-10-2022" in the subject. Your CV and cover letter should be in English and formatted as a Word or PDF document.

Employment starting date: immediate.
